**SUNDAY of the RESURRECTION**

**Dear Parishioners and visitors,**

Peace be with you. Peace is the first gift of the risen Lord to the world. Yes, we are in need of peace, because the fear of death is all around us even as we celebrate the resurrection of Jesus.

The first followers of Jesus thought that the 'Jesus chapter' was closed on Good Friday. The Easter day once again filled joy and peace in their lives. We may have our own personal experiences that speak volumes about God's salvific plan for us.

The dark days in life is not a time to push God aside, it is a time to get closer to God. Without God, without a spiritual life, our existence is limited to the experience here and now. With God we have the celebration of hope, that we will share in the fullness of the New Life in Jesus.

May the new life of Easter lead us to freedom from all bondages and fill us with everlasting peace.

**Wish you all a happy and blessed Easter.**

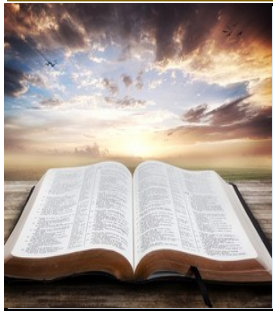

**Lord's Blessings, Fr Regi**
